

## Utah FFA Association State Degree Check Off

This check-off sheet must be used when reviewing State FFA Degree applications. A copy of this does not need to be turned into the State, but each application must meet these requirements before the Area Chair submits the names of the State Degree recipients.

<b>Requirements</b>	<b>Sifting Committee Initials</b>
While in school, have completed the equivalent of at least two years (360 hours) of systematic school instruction in agricultural education at or above the ninth grade level, which includes a supervised agricultural education program. <b>Transcript must be checked to verify enrollment.</b>	
Application has been sifted by Area Sifting Committee. The candidates official record book must either accompany the application or be viewed electronically.	
Area Sifting Committee has checked the “met” column of the State FFA Degree Checklist of Minimum Qualifications and has verified all minimum requirements against the applicant’s record book.
