Utah FFA 2023-2024

Dear FFA Supporters,

I am delighted to announce a significant milestone in our journey – our transition to an affiliated state within the National FFA Organization. This achievement marks a pivotal moment in our commitment to fostering agricultural excellence and empowering our members to thrive in their endeavors.

As we embark on this new chapter, I find inspiration in the timeless words of the FFA Creed. Its principles resonate deeply with our mission and values, guiding us as we navigate the path ahead.

"I believe in the future of agriculture, with a faith born not of words but of deeds."

These words remind us that our dedication to agriculture goes beyond mere rhetoric; it's reflected in our actions, our unwavering commitment to advance the agricultural landscape within our state.

"I believe that to live and work on a good farm, or to be engaged in other agricultural pursuits, is pleasant as well as challenging."

Embracing affiliation is not just about formalities; it's about embracing the challenges and opportunities that come with enriching our agricultural community. Together, we'll cultivate an environment where growth flourishes and achievements are celebrated.

"I believe that American agriculture can and will hold true to the best traditions of our national life and that I can exert an influence in my home and community which will stand solid for my part in that inspiring task."

Becoming an affiliated state isn't merely about our organization; it's about contributing to the rich tapestry of American agriculture. Through our dedication and influence, we will uphold the cherished traditions while pioneering new pathways for progress.

With the FFA Creed as our compass, let us forge ahead with determination, unity, and a steadfast commitment to excellence. Together, we will cultivate a future where agriculture thrives, and our collective impact reverberates for generations to come.

Thank you for your unwavering support and dedication.

Warm regards,
Amy Fullmer
State Advisor,
Utah State Board of Education
Agriculture + Welding Specialist
